

Technology Provided Funded Gift Card Program

Add funds using a
credit card

Before you begin:

IMPORTANT: This payment method is only available to countries using USD, GBP, CAD, EURO currency and also incurs a processing fee of 3.5% charged by our gift card provider.

Please make sure you have your claimed free incentive account and have your **unique account number** available with you.

Check your **unique account number** from Technology Provider Tools:

- Go to create a [sourcing link page](#)
- Click on the “Manage” button on “Incentive Account” card on the top left of the page.
- This will open up a screen with details about your account with your unique account number.

The screenshot shows the 'Review Sourcing Links' page with an 'Incentive Account' card displaying 'US\$ 975' and a 'Manage' button. A modal window titled 'Incentive Balance' is open, showing account details for 2020. The modal includes a table with the following data:

Account Type	Available in US\$
Gartner Funded Incentives	\$200 (\$1050 used)
Your Funded Incentives (with Tango Card) Learn more	\$3000 (\$0 used)
Total Incentives	\$3000 or 120 gift cards

Below the table, the 'Account no : AE4555432' is circled in red, with a 'Copy' button next to it. There is also an 'ADD FUNDS' button and a note: 'You can add upto US\$ 12000 more'. The modal also includes a 'Manage' button and a 'Show inactive' toggle.

Steps Overview: Detailed steps on account loading using **credit card** on next page

STEP 1: Raise a request for credit card loading

Please reach out to your program manager or [email us](#) to use a credit card to fund your account. Once you raise a request, we'll share an invite to sign up on Reward Genius Portal (Tango Cards).

Please move to **step 2**, if you have already signed up on Reward Genius Portal from our invite.

STEP 2: Add your credit card

Once your account is setup please login on [Reward Genius](#) with your credentials and add your credit card:

- A. Go to **"Funding"** from menu options on the left

- B. Select the **"Add Credit Card"** Option

STEP 3: Add funds using added credit card

Once your credit card has been added successfully, it will be displayed in the funding section.

Please note:

- While using credit card funding option you can add up to \$5000 per transaction up to 3 times in one 24 hour period on Tango Card Reward Genius Portal.
- 3.5% extra fee is charged by our gift card provided (Tango cards) on all credit card transactions.

Download Transaction Receipt

After successfully completing the transaction, you can download your transaction receipt from the **“Funding History”** tab.

Balance Update:

Post successful transaction your funds will automatically be updated on your [Technology Provider Tools](#) within 1 business day.
